

# World Handicap System – Guidance for Individual Stroke play Competitions

## Competition Entry – Individual Stroke play formats

You must have booked a tee time using the ClubV1 app, and you must enter the competition before you tee off.

### Max Handicap

Competitions are open to all members however there is currently a maximum Handicap Index being applied of 28.0 for all men's competitions and all women's honour board competitions, this is used for calculating the Playing Handicap for the competition. Your Handicap Index calculation at the end of the round will be based upon your current Handicap Index (not the maximum, if that is the lower) and your WHS record will be updated accordingly.

### Score Card

See the example scorecard below which applies to Stroke play: Medal, Stableford and Bogey formats

## Score submission

The score must first be entered electronically via either the 'Score-Entry' tab of the HDID App before you leave the club or via the PSI terminal in the Spike Bar.

The card must then be placed in the box in the spike bar or lounge. Currently the deadline time for entering scores will be sunset on the day of play.

If a card is not submitted on the day, then the score will be withdrawn from the competition. It is now mandatory that scores / cards are submitted and penalties can be applied for repeated non-submission.
