

### Lady Membership – 2<sup>nd</sup> Club Offer

As a Women in Golf Charter Signatory we are committed to increasing participation and opportunities to play at the club for lady golfers.

A Ladies’ Academy has been offered over the last couple of years and we are delighted to see this bringing new golfers to the club. As we know the transition from new to established golfer can take a few years to feel confident in our new found love for this great sport, this initiative will continue please see the club website or contact the club for further details.

Golf is fun, sociable and offers a friendly environment with lots of opportunities for casual golf and social gatherings. The ladies meet on Wednesday and Saturday for a mixture of competitive and casual golf with at least one competition per month and more during the summertime.
