

Dear Members,

I am pleased to announce that there will be a new assistant joining me at Shooters Hill GC from the 1st of September 2020.

Rob Wills will be very familiar to a lot of you as he is currently a member at the club but also was a junior member from the age of 14 so he has been around the club for a lot of his golfing years. Rob has worked in golf for 10 years starting at Woodlands Manor for 4 and a half years before moving to Rochester and Cobham for 5 and a half years. He has been fully qualified for 4 years and is well versed in every area of the game.

Although Rob will be working on a Wednesday and Thursday in the shop, his main role will be to teach full-time and help me in expanding the academy at Shooters Hill GC. With the introduction of the swing studio we are now able to offer coaching all year round and so the need for a second professional is critical in offering a full teaching service to both members and visitors so please join me in welcoming Rob to the Pro shop.

Kind Regards

Mike Worley
PGA Professional
